

## GULF ISLANDS DID REMARKABLY WELL

Final returns have yet to be tabulated for the Saanich-Gulf Islands Unit, but up to Tuesday's closing an amount of \$867,250 had been subscribed against a quota of \$950,000.

This is a heavy quota and a little beyond the reach of the unit now that the armed forces have been placed in a division of their own, but when all the outside sub-units have completed their returns it is hoped that the total will be within \$75,000 of the set figure.

The last returns from the Gulf Islands shows every island well over the top with Saturna Island doubling its Fourth Victory Loan total.

The Gulf Islands returns are as follows:

Salt Spring Island	\$58,800 (\$40,000 quota)	147%
North and South		
Pender Islands	16,050 ( 8,500 quota)	188%
Galiano Island	5,950 ( 4,000 quota)	149%
Mayne Island	4,300 ( 4,000 quota)	107%

The sub-unit of North Saanich had a heavy quota of \$115,000 to top and with no payrolls to help the area it was impossible to reach this figure.

North Saanich, however, made a gallant effort and final figures show a total of \$95,150 from 310 subscribers as compared with 282 subscribers in the last loan.

Major Yardley, the unit organizer, stated: "Owing to the heavy quota set for the unit it was found necessary to in turn give the main sub-units high objectives to meet. North Saanich was definitely set too high, and to get within \$15,000 of the quota was indeed a remarkable performance, especially when it is considered that all civilians working on the airport come under the heading of 'Armed Forces.' Next Victory Loan North Saanich will be given a quota based on the experience of this loan."

"May I state in congratulating F. J. Baker, his committee and staff on their Fifth Victory Loan effort, that this ranks in every way with the district's fine performances of the four previous loans, even though the total fell short of the mark."

"May I also add my congratulations to the Gulf Islands, who piled up a total of \$85,650, which is in excess of the total of any previous Victory Loan campaign."

Ward Six in Saanich was one of the outstanding areas (comprising Saanichton, Brentwood, Keating), far surpassing returns compared with the Fourth Victory Loan.

## Ganges Chapter Hear Report Of Provincial Chapter Meeting

GANGES, Nov. 10. The regular monthly meeting of the Ganges Chapter, I.O.D.E., was held recently in Ganges Inn. In the absence of both the regent and first vice-regent, the chair was taken by the second vice-regent, Mrs. C. E. Baker.

Routine business was transacted. A letter from a member expressing thanks for flowers and sympathy was read; another from Esquimalt House gratefully acknowledged the gift of 10 blankets. Miss Shirley Wilson thanked the chapter for presents received and tendered her resignation as members, owing to having left the island to join the W.R.C.N.S., and a letter read from Mrs. Spratt thanked the members for books sent for camp libraries.

The secretary read extracts from a report of the Provincial Chapter's semi-annual meeting in Nanaimo, which dealt with the standard of education for those joining the nursing profession and with the matter of enemy aliens in our universities, a general expression of the chapter's opinion was asked regarding the latter question, but this was left over till the next meeting.

A considerable amount of interest was shown regarding the endowment fund for the proposed second war memorial, for which a minimum sum of \$350,000 will be required. The memorial is to include the provision of bursaries for sons and daughters of men and women who had died or suffered such injuries as to preclude providing necessary financial assistance for their dependents and, also, for the provision of post graduate scholarships.

The treasurer's report showed \$99.40 in the general fund and \$508.54 in the war fund. The roll call was read by the secretary.

The war work convener stated that 23 comforts had been sent in by the members; that six Indian sweaters, nine pairs Indian socks, 14 blankets for Polish Relief and one Afghan had been made and sent to the Provincial Chapter; also that 15 ditty bags, at the cost of \$14.80, had been filled and sent off.

The president of the sewing circle reported three large cartons of toys shipped to British children and that \$10 had been spent by her on additional new toys for enclosure. Twenty-five dollars was voted towards clothing for the distressed Poles, Miss Anna Lees and Mrs. J. Mitchell being authorized to do the purchasing. The sum of \$50 was voted to the Canadian Prisoners of War Fund.

Mrs. H. Martyn Jenkins stated she had obtained a 20-pound turkey as a prize for a contest, which will be in charge of Mrs. J. C. Kingsbury, the proceeds to go towards Polish Relief. After a short discussion the arrangements for Christmas presents were left over till the next meeting.

The recent nominated members to meet at the Conotaph at 10:35 a.m. next Thursday to attend Remembrance Day service.

Miss June Mitchell having resigned as "Echoes" secretary, the position has been taken over by Mrs. H. A. Robinson.

Ten hostesses were Mrs. H. Johnson, Mrs. J. C. Kingsbury and Miss Helen Dean.

## Deep Cove Boy Receives Commission

David Boyd Ascott, son of Dr. and Mrs. A. H. Ascott of Deep Cove, a recent graduate at the R.C.A.F. A.O.S., No. 5, Winnipeg, received his Air-Boatman Wing, also a commission, at the wings parade on October 29. David was a student at the North Saanich High School. He joined the R.C.A.F. in August, 1942.

## BUSINESSMEN'S ASSOCIATION TO MEET, 18TH

Members of the Sidney Businessmen's Association will hold their annual meeting and election of officers on Thursday, Nov. 18, commencing with dinner at 8 p.m., in the Sidney Hotel. A record attendance is anticipated and catering arrangements have been made accordingly.

The association has completed another successful year of service to the community, the three bank accounts, for fire, light and general expenses, show a balance on the right side of the ledger.

The greatest activity has been in connection with the North Saanich Volunteer Fire Brigade, of which George Gray, as chairman of the fire protection committee, is to be commended for his careful nursing of funds turned over for maintenance and equipment. Fire Chief Arthur Gardner and his alert crew of fire fighters are certainly worthy of the thanks of the entire community for their untiring efforts to protect the homes and property of the district.

A major improvement during the past year has been the successful negotiations with National Defence whereby the public dump has been nicely cleaned up and is now supervised by a man on the job every day. The public dump is a real clean place now, every day everything burnable is burnt. No accumulations of inflammable material is allowed. A systematic way of dumping has been introduced and credit for all this is due to Fred Wright, chairman of the committee in charge of the public dump, every since the site was acquired back in 1935, who has worked unstintingly in furthering the interests of the community. To Mr. Wright goes the thanks of all for sticking at it till a satisfactory solution was found in keeping the dump in a clean, unoffensive condition.

During the past month or so members of the association, together with other willing citizens, have been busy securing signatures from ratepayers in the local waterworks area, after been asked to do so by a public meeting, with a view to operating a waterworks system owned by the people in the area served.

There has been a tremendous amount of work in this connection and George Gray as chairman of the committee handling the petition, and his committee members, are to be commended for their untiring efforts. The offer of help from willing hands has eased the canvassing considerably. With an almost unanimous approval of those contacted the petition, together with affidavits, map, etc., is about ready to be turned over to Hon. Norman Whittaker, R.C.A., M.L.A., for our constituency, who has offered to present same to the proper officials.

The legal points, we understand, include an advertisement in the Government Gazette and the Review, giving those who oppose the proposition an opportunity to state their objections.

## Re-make Centre To Start In Sidney

All roads led to the Hostess House on Wednesday afternoon, Nov. 3, to the monthly Hostess House tea. This time, however, there was an added attraction — the Re-make Centre.

Col. Farcy of the Provincial Government, and Mrs. W. E. Ray-fuse of the National Housing Registry announced that Friday, Nov. 12, would see the first day of the centre in action. Some 30 women signed up for the courses, which will be instructed by Miss Gibson of the Victoria Re-make Centre.

One class will meet from 9 to 12 and one from 1 to 4 on Friday. The women interested are asked to be prompt and bring needles, thread, scissors, and, of course, the articles of clothing to be re-made.

This undertaking is sponsored by the Women's Advisory Regional Local Committee, the Wartime Prices and Trade Board, Sidney, in co-operation with the Hostess House.

## Buys Ishit Island

FULFORD, Nov. 10. — Fred Cudmore, of Fulford, has recently purchased a small island, Ishit Island, about 12½ acres. Mr. Cudmore intends to build a house and farm.

The army is not going to be caught short of fuel wood this winter. Five special detachments of the Canadian Forestry Corps are being organized to take to the bush and cut cordwood. The khaki wood-cutters will confine their activities to the east, but other units may cut their own supply of fuel in other parts of the country.

## Last Week Of Revival Meetings

Good audiences have been attending the revival meetings of Canada's Pentecostal Youth Evangelist Rev. D. Mark Buntain, son of the general superintendent of the Pentecostal Assemblies of Canada, who for the past week has been conducting special meetings nightly at the Glad Tidings Church, Sidney, we are informed.

You are invited to hear this young preacher in his closing meetings this week. Young people are especially invited to the service Friday night at 8, when Evangelist Buntain will tell "My Call To The Christian Ministry."

Sunday will feature services at 11 a.m. and another old-fashioned revival rally at 7:30 p.m. This will be your last opportunity to hear this young preacher as he speaks on the vital theme "Child Come Home."

## Ladies' Aid Sale Now Totals \$123.55

GANGES, Nov. 10. — The regular monthly meeting of the Ladies' Aid to the Ganges United Church was held recently at the home of Mrs. Stanley Wagg, with Mrs. J. Dewar presiding and taking the devotional period.

Reports were heard from the doreas secretary and the hospital visitor, also from the treasurer, who, in addition to the financial statement, gave an account of last month's tea and sale, from which several articles left over have since been sold, bringing the proceeds to \$123.55 and the total balance on hand to \$149.58.

The committee in charge of the gifts for local overseas men in the services stated that 15 parcels had been sent off.

After discussion it was decided to give \$100 to the church board of stewards to be used in whatever capacity they thought most necessary. Mrs. F. H. May undertook to look after the cleaning of the church for November.

Tea hostesses were Mrs. W. M. Mount and Mrs. F. Sharnie

## PARISH BIDS REV. TOMALIN FAREWELL

In order that Rev. F. E. M. Tomalin's splendid work in this parish be suitably acknowledged, a reception in his honor was held at the home of Mr. and Mrs. F. F. Fomeri, Third Street, Sidney, last Sunday evening, after the regular service, under the guidance of the church committee. Members of the committee were hopeful of a good attendance, and all were delighted when over 65 members of the congregation attended. This large attendance demonstrated, in no uncertain manner, the popularity of Rev. Tomalin, who was leaving on Monday morning for the east, he having been accepted as chaplain in the R.C.A.F.

The evening was a very happy one for all present, all taking advantage of the opportunity to say farewell to the honored guest and extend to him their best wishes for his health, happiness and good fortune in his new field of endeavor.

When all had partaken of the delightful refreshments provided by members of the committee and congregation, James Ramsay, people's warden, in his usual ably manner, presented a gift to Rev. Tomalin from the committee and congregation, expressing the regret of all that he was leaving the parish where he had done such splendid work during the short time he had been the priest-in-charge. Mr. Ramsay expressed the sentiments of himself, and the congregation as a whole, when he said that Rev. Tomalin had become very popular with all members of the congregation during his short term of office and there was sincere regret in the hearts of all that he was leaving. In conclusion, Mr. Ramsay, speaking on behalf of all in the parish, wished Rev. Tomalin all good things for the future and asked him to accept the small gift as a slight token of appreciation from the members of St. Andrew's Church.

In accepting the gift, and expressing his sincere thanks to all for the tangible evidence of their appreciation of his services, he said that it was with regret that he was leaving Sidney, as he had been given splendid co-operation by the congregation and his stay here, though short, had been very happy and enjoyable and he hoped that in the near future another rector would be appointed and that the new incumbent would be given the same fine co-operation. He hoped, he said, that at some future time he would be able to visit Sidney again and would look forward to such a visit with much pleasure.

The evening came to an end with the singing of "For He's A Jolly Good Fellow" and "Auld Lang Syne."

## OUR QUOTA

Final returns have yet to be tabulated for the Saanich Peninsula and Gulf Islands in the Fifth Victory Loan Campaign — but it appears we have not reached the quota of \$950,000 set for us. It is quite evident that quotas of certain sub-units were set too high—such as North Saanich and parts of Saanich. In North Saanich the armed forces and those civilians (representing almost 100 homes) employed at the airport are not counted in this sub-unit's total — nevertheless of the remaining civilians 310 have raised almost \$100,000, just a few thousand short of the sub-unit's \$115,000 quota.

The Gulf Islands came through in wonderful fashion — as we predicted. All Gulf Islands sub-units went over their quotas. We are proud of the Gulf Islands, they worked unceasingly to create this fine record.

Taking everything into consideration the Saanich Peninsula and Gulf Islands did remarkably well.

## 50 YEARS

"Nothing but the best!" Four simple words . . . but they carry the story of William Neilson Limited over 50 years, from modest beginnings to its leading position in the confectionery and ice cream world of today.

In 1893, the late William Neilson started a small dairy business into which he and his family threw all their energies and ambitions. As the little firm grew, there was added to the dairy business the manufacture of a product then regarded as a great delicacy — ice cream.

The pioneering spirit of the Neilson family won its own reward. The firm flourished. The next big move was the manufacture of chocolate and chocolate products. Later came the decision to feature "Jersey Milk Chocolate" — today the most popular bar from the Atlantic to the Pacific. Then came "Jersey Brand Chocolate Cocoa," another outstanding quality product.

Congratulations to Neilson's on 50 years of progress.

# THE CHARTERED BANKS of Canada keep abreast of the Dominion's expanding needs.

Six times since 1870 the Bank Act under which the Chartered Banks operate has been revised by parliament—six times in that period the activities of the banks have been carefully scrutinized by the people's representatives.

Every ten years the Bank Act has been thus revised. Each one of the six decennial revisions has contributed much to the evolution of the banking system to meet the expanding needs of a developing Dominion.

In 1934 the sixth revision of the Bank Act was made. Fifty members of the House of Commons

made up the committee, which examined witnesses—among them bank officers, government officials and reformers — and studied exhibits filed by various individuals and organizations. Findings were submitted to the House, and later that year the Bank Act was revised in many important particulars.

Through democratic enquiry and decision, the Canadian banking system has grown and been adjusted to meet the needs of the people, providing a depository for savings and a sound basis for Canada's free economic development.

## ENGLAND!

Sir:—The greatness which has been England's for the past 400 years is, by many, just taken for granted. Enjoying its effect, they are unconcerned about its cause. Four hundred years ago England wrested the Bible from its self-styled "God-appointed" custodians. She had it translated in the common vernacular, to be read and understood by all men everywhere. This brought about a great spiritual Reformation in a church which had gradually grown heretical and pagan in its teaching and practice.

This mighty God-inspired action brought into existence a contra-Reformation movement whose aim was, and is, the destruction of reformed, tolerant, free and democratic England, who believes that in reading God's Word "ye shall know the Truth, and the Truth shall make you free!"

Since that time England has been the host to countless victims of religious persecutions, intolerance, bigotry and fanaticism. Jews, Huguenots and many others found a safe haven within her bulwarks. God had proclaimed that he who honors Him, His Son and His Word, He would honor; and he that blesses the Jews would be blessed, that he that curses the Jews would be cursed, for it were even as if he had "touched the apple of His eye!"

No "Invincible" Armada, no Napoleon genius, no Kaiser's hatred, no Hitler's "unbeatable" could, nor will, bring down England, because of God's blessing on her stand on the "open Bible"! Note-worthy is the fact that those who have opposed her most bitterly in the present war, as in past wars, belong for the great majority to the anti-Reformation class; be they Axis leaders, fifth columnists, Quislings, strike leaders, saboteurs, pacifists or isolationists!

These all are the antithesis of true Christianity, the antagonists of freedom of worship, freedom

The floral decoration of the room was carried out in a color scheme of autumn shades; the attractively decorated dinner table, with its red tapers in brass holders, was centred with a large basket of yellow and gold chrysanthemums, red berries and autumn leaves, flanked by two smaller baskets filled with the same flowers and foliage.

## Taxing The Rich

By R. J. DEACHMAN

I have often said that higher taxes of the rich mean higher taxes of the poor.

I have accepted this as being true simply from general observation.

I remember when succession duties were imposed. Many thought that this, in time, would lead to a reduction of taxes and many of our expenditures could be met from this source.

I remember when the income tax was adopted. I had the same idea but while these taxes have increased and other taxes have been added, there has been a steadily growing rate of taxation upon the poor and I mean those below the range of pre-war income tax.

Now we may say that, so far as the voice of experience teaches anything, it has always been true that higher taxes upon the rich have brought about higher taxes upon the poor.

In the absence of evidence to the contrary, we might then reason that the imposition of still higher taxes upon the rich would mean still higher taxes upon the poor.

I do not feel that we should lower the taxes upon the rich or ignore the canon of ability to pay but the point I want to get at is this: Why does a proposal for higher taxes upon the rich draw forth rounds of applause from the poor? I have asked that question before, no one has given me an answer. Perhaps the reason is that no one knows. Perhaps no one cares! Still it's an interesting subject for an evening's discussion.

Why AREN'T THERE AS MANY NEILSON'S CHOCOLATE BARS TODAY?

First of all, there are wartime restrictions on the use of raw materials. Then, too, many more people today want to buy Neilson's Chocolate Bars... some for their overseas parcels. Others, who are working hard, find these nourishing chocolate bars so helpful. So you see it is because of the greatly increased demand for Neilson's Chocolate Bars that they seem to be scarcer than they really are!

## Defeating Germany's Key Weapon: Liberator Versus U-Boat

Liberators of Coastal Command are one of the answers given by the R.A.F. to Germany's key weapon, the U-boat. During long uneventful hours of patrol flying Liberators watch for their prey. Then they take short, sharp and usually highly successful action. A Liberator of Coastal Command keeps a rendezvous with an Atlantic convoy. Picture shows: The sun comes out for a few seconds and throws its rays on a tanker bring fuel to Britain. A "Liberator-eye" view.

## Hysterical Cheers Greet U.S. Troops En Route For Palermo

As they passed through a small town on the way to take Palermo, American troops had a foretaste of the enthusiastic job with which the people of Sicily's chief town welcomed them. Everywhere cheering people and children waved white flags, threw gifts of fruit and cried "Viva America," "Viva Inghilterra." The picture shows: U.S. troops passing through hysterically cheering crowds in a small town on their route to Palermo.

## MAP SHOWING WAR TARGETS

A map of Rome, showing the position of the marshalling yards and airfields which formed the sole targets in the U.S. Air Force's precision raid of July 19.

## Fighting Frenchmen With The Eighth Army

Picture shows: Members of a Fighting French armored column, known as Fighting French Flying Column number 1, with their "Crusader" tank. In this Flying Column are men from French Morocco, Paris, Bordeaux and the Foreign Legion. Working with a British armored brigade, they have co-operated to the full with the 8th Army.

## ACTIVITIES AT THE HOSTESS HOUSE, SIDNEY

On Wednesday afternoon the monthly tea was held in the recreational hall, the R.A.F. Hostess House. The guest speakers were Mrs. Rayfuse, Wartime Prices and Trade Board; Miss Roy of the Dominion Housing Committee and Col. Ferries, representative of the "Youth Training." Also Miss Gibben, instructress of the Re-nuke Centres.

Miss Roy spoke sympathetically on the problems met by the service people when accompanying their husbands across Canada.

Mrs. Rayfuse introduced Col. Ferries, who gave an outline of the work undertaken at a re-make centre, and after discussion it was decided to open one in Sidney for service wives, starting on Friday, Nov. 12, with both morning and afternoon sessions, 9 a.m. to 12 noon, and 1 p.m. to 4 p.m. Miss Gibben, who will be in charge of the classes, displayed delightful dresses and children's clothes made out of material practically ready for the ragging, or so you would have thought, until you beheld a gay sports suit made from an old ironing blanket, and snippets of this and that made the most becoming shoes for a baby.

## A.Y.P.A. At Ganges Met Wednesday

GANGES, Nov. 10.—The Ganges Branch of the A.Y.P.A. met last Wednesday evening in the Parish Room, with the president, Rosemary Loosmore, in the chair.

The meeting was opened with prayer, after which the minutes were read and adopted, and the financial report showed a small cash balance on hand. Laurence Cartwright, having resigned as treasurer, the position was taken over by Beverly Rogers. A new member, Pat Taylor, was welcomed by Ven. Archdeacon G. H. Holmes.

The evening was given up to darts and other games and refreshments were served.

and women of the services entertained the volunteer hostesses and took over the canteen. It was a jolly evening with all sorts of games. LAC Gillard, R.A.F.; LAC Savage, R.C.A.F., and LAC Barnes were in charge of the canteen. Sandwiches were quite up to par, and even though the coffee had the odd ground in it, no complaints were registered. LAC Pitter, R.A.F., saw that the lights went out on the dot. Cpl. Bill Pomeroy, Cpl. Cudbill and Gunner Rosenberg made excellent junior hostesses assisted by the bashful Stan.

Cpl. Brougham and Cpl. Thorburn, R.C.A.F. W.D.s, saw that the womanly touch was given, and the cash box was in charge of no other than John Eltringham, R.A.F.

The Women's Auxiliary to the A.A. met in the Blue Room to make Christmas toys for the annual Christmas party. We notice Mrs. Mayes was creating the most futuristic looking mule out of cast-off gingham. (We think she must have attended the re-make classes.)

The R.A.F. Wives held a most successful dance at the new dance hall in Sidney, Thursday evening. Well done, R.A.F. Wives. It was a grand party.

J. Grey of the Canada Committee visited the Hostess House Friday afternoon and talked to many of the guests. Mr. Grey has just come over from England and is visiting all the R.A.F. stations throughout Canada. We enjoyed having him with us on Friday evening, and he showed a great interest in all the activities connected with the Hostess House.

Sunday was a busy day. Many visitors dropped in for tea in the afternoon. Among them was Section Officer Blinkensop, Auxiliary Officer for B.C., and several Naval men from Esquimalt Barracks.

Monday afternoon we had the great honor of being visited by Chief Air Commandant Trefusis Forbes, W.A.A.F., Air Ministry, London, and Group Captain Luke of Vancouver; Wing Commander Walker, R.C.A.F. W.D.; accompanied by their respective staffs. It was Clinic Day and the guests had the opportunity of meeting several of the servicemen's wives and their children.

On Monday evening in the Blue Room Rev. Doel of the Lutheran Church met members of his congregation who are in the armed services in this district.

Tuesday evening Major Bullock-Webster addressed the members of the Play Reading group and their friends in the lounge and gave a most interesting talk. We hope he'll be able to visit us again in the not too distant future.

"Blitz" has now become a member of the Hostess House staff and is "living in." Her friends will be glad to know.

## MAYNE ISLAND

Mrs. Juyne left on Tuesday for Vancouver.
